# DOMESTIC VIOLENCE IS MORE THAN PHYSICAL ABUSE.

It can also be emotional, mental, financial, verbal or sexual.

## IF...

- You feel you can't do anything right and believe you deserve to be mistreated.
- Your partner makes all the decisions and controls what you do and where you go.
- You have to be careful what you say or do for fear of angering your partner.
- Your partner is physically violent and threatens to kill you.
- Your partner blames you for the abusive behavior.
- You feel humiliated and intimidated and make excuses for your partner's behavior.
- Your partner prevents you from working or attending school.
- Your partner keeps you from family and friends.
- You are forced into unwanted sex.
- Your partner threatens to take away your children, your car, your finances.
- You stay with your partner because you're afraid of what will happen if you leave the relationship.

**THIS IS DOMESTIC VIOLENCE!**
